Subject: IWF Elections

Dear President,

Dear General Secretary,

On behalf of the Ministry of Foreign Affairs and Trade of Hungary, it is my pleasure to draw your kind attention to the below candidates nominated by the Hungarian Weightlifting Federation for the International Weightlifting Federation elections:

- Mr. Attila Adamfi (candidate for General Secretary, Vice President, Executive Board member)
- Ms. Maria Takacs (candidate for Coaching and Research Committee)
- Mr. Laszlo Krivanek Dr. (candidate for Medical Committee)

For your attention, the Manifesto of Mr. Attila Adamfi is also enclosed.

The candidates are not only in possession of the necessary knowledge and skills in the area of weightlifting, but also demonstrated their experience in international relations and sports diplomacy.

For the above reasons they enjoy our full support in order to achieve a new leadership on the Executive Board and Committees of the International Weightlifting Federation.

I would appreciate if you would forward this letter of support to your representatives participating at the IWF Electoral Congress for their kind consideration.

Sincerely Yours,

Istvan Igloi-Nagy
